**Residents Affected By Schultz Fire May Pick Up Animals At
Second Chance Center for Animals At 1:00 PM Today**

Flagstaff, Az. – Second Chance Center for Animals announced today that residents affected by the Schultz Fire may pick up their evacuated animals at the Center from **1:00 to 8:00 p.m. today**. All animals have been relocated from Fort Tuthill County Park back to their main facility at 11665 N. Highway 89. Please do not arrive early as the animals will not be ready for pick-up until 1:00 p.m.

Residents are asked to bring the wristband they received when they dropped off their pets, or have photo ID available to Second Chance staff to claim their animals.

Second Chance and emergency officials would like to thank the residents and community for their patience and understanding in housing, relocating and returning their pets safely to their homes.
